NEWS & NOTES

• Slade Musical Update

After careful consideration, we have decided to move our Slade Musical performance dates to **March 6th and March 7th**.

This adjustment will allow our students the additional time they need to rehearse, grow in confidence, and work together to make this the very best production possible. Our cast and crew have been working hard, and this extra time will support both the quality of the performance and the students' overall experience!

• Winter Open House - Volunteers Needed!

We're excited for our upcoming Winter Open House on Sunday, February 1st from 11 AM-1 PM! If you know families who might be a great fit, please help us spread the word. Feel free to share our social posts, but word of mouth is our most powerful tool.

Due to the CTM Mass Schedule, we're unable to setup until the morning of the Open House. We are in need of volunteers to help us setup to ensure the success of the event - service hours will be awarded. [Click Here](#) to sign up.

NURSE NEWS

Dear Parents and Guardians,

I hope you and your family had a restful and enjoyable break. As we welcome students back to school, I would like to share a few important health reminders to help keep our school community healthy.

Please remember NOT to send your child to school if they are sick. Students should remain at home if they are experiencing symptoms such as fever 100.0 degrees F or higher, vomiting, diarrhea, persistent cough, sore throat, or any flu-like symptoms. Children should be fever-free for at least 24 hours without the use of fever-reducing medication before returning to school.

Sending a sick child to school increases the risk of spreading illness to classmates & staff and can delay your child's own recovery. If your child becomes ill during the school day, you will be contacted to pick them up as soon as possible.

We also encourage you to remind your children of good hygiene practices, including frequent handwashing, covering coughs and sneezes, and using hand sanitizer when appropriate.

Thank you for your cooperation and partnership in keeping our students & staff healthy and safe. Please feel free to contact the health office if you have any questions or concerns.

Wishing everyone a healthy start to the new year.

JOIN THE GIRLS ON THE RUN!

Hello, **MOUNTAIN MOVER**

Girls on the Run of the Greater Chesapeake offers lessons taught by trained volunteer coaches who create a welcoming environment using our evidence-based curriculum. "Hello, Mountain Mover!" lessons teach girls about their I CAN power.

What can you expect this season? Your Girls on the Run team will meet twice a week for ten weeks. Coaches will lead fun activities and discussions. Together, your team will create a project that supports your community. At the end of the season, you'll celebrate by participating in a non-competitive 5K celebration.
