2025-2026 SCHOOL YEAR

MEDICATIONS AT SCHOOL

Dispense of ALL Medication - If a student's physician recommends that the student receive prescription or over-the-counter medication during the school day, a medication form signed by the student's licensed health care provider is required. Medication, both prescription and non-prescription, can only be dispensed with the below medication form, signed by the health care provider and parent, specifying start and stop dates.

Link to form: <https://www.msladeschool.com/resources/forms-documents>

Delivery of Medication to Slade - Medications must be delivered to the school by the parent/guardian in its original box or container. Medications delivered to the school nurse by the student will not be accepted for use, but will be placed in a locked cabinet until the parent/guardian picks up the medication or signs for it.

Students may not possess, dispense, or distribute medication on their own. Under special circumstances, individual students may be authorized by their physician to carry and self-administer emergency medications. In this case, the school nurse must be consulted.
