Important News & Notes:

Catholic Schools Week Information - The Schedule of Activities for Catholic Schools Week is attached, indicating our service projects for this year, as well as a listing of the many special activities scheduled throughout the week. Please note: On Wednesday, February 1st, we will be honoring the dedication and hard work of our faculty and staff. (See flyer attached for further information.) In addition, **Thursday, February 2nd, is Parent Appreciation Day.** Parents are invited to visit their child(ren)'s classroom from **8:30-10:00 a.m.** Please see the article below about where to park that day. We hope to see you then!

RSVP for Parent Appreciation Day Classroom Visitation: In order to attend the Parent Classroom Visitation Day on Thursday, February 2, 2023, from 8:30-10:00 a.m., we will need to provide you with a Raptor badge upon arrival. If you have previously been in the building and had your license scanned, we can pre-print your badge and have it waiting for you. If you have not had your license scanned previously, then you will need to have this done when you arrive so that a badge can be issued.

We are asking that all parents who plan to attend to please fill out the form using the following link no later than Wednesday, February 1, 2023, so that we can prepare accordingly for your visit: <https://forms.gle/iWKbthRjP6jo1UWe6>

Once you have your badge, there will be coffee, tea, and cookies available in the gym for you to enjoy before heading to the classrooms.

Parent Appreciation Day Parking - Classroom visitation will take place on Thursday, February 2nd, from 8:30-10:00 a.m. For those families who choose to remain in the parking lot after morning drop-off, we ask that you please park in the two rows closest to the playground or along the back fence line to allow for a smooth arrival for all families until 7:55 a.m. If you are planning to leave and come back to school closer to 8:30 or later, you will be able to park freely on the lot.

Lunch Survey - Thank you to all the parents who completed the lunch survey. We greatly appreciate the number of responses received. It was clear that the majority of respondents prefer an on-site service. We are in the process of determining which companies would best meet our needs. We will update you in the spring with more information.

Parent Cleaning Day: Don't forget! Parent Cleaning Day is taking place tomorrow, January 28th, from 7:30 a.m. to 12 p.m. to prepare the school for our open house on Sunday, January 29th. If interested in helping and earning some service hours, please see the flyer attached for further details.

Next aluminum can recycling collection will be held on February 10, 2023, so please save all of your aluminum cans!! The collection will take place on the carport at morning drop-off.
