The month of October is National Anti-Bullying Month. Throughout this month there will be Social Emotional Academic Lessons (S.E.A.L.) in classrooms to help students maintain high self-esteem and spread kindness throughout the school. I believe that helping students treat others with empathy is a powerful tool against unkind acts.

Each S.E.A.L. will include parent information about the selected topic. I feel this will help in two parts: first, by providing parents insight into what students are learning in the classroom, and second, giving at-home tips on how to practice lessons in your own family unit. All topics comply with American School Counseling Association guidelines and regulations.

KINDNESS **in CHALK**
ONE SIDEWALK. ONE MESSAGE. ONE MILLION SMILES.

OCTOBER IS NATIONAL BULLYING AWARENESS MONTH.
Sometimes, all a person needs to hear is something uplifting and positive to get through a rough day. Monday, October 1st is the day we give that to kids at Monsignor Slade.

GRAB A PIECE OF CHALK.
and cover the parking lot with quotations and images of love, peace, hope and acceptance with the intention of bringing smiles to kids' faces or challenging them to pay an act of kindness forward.

"YOU are special" or "Give somebody a hug today," or "YOU make a difference." or "Kindness Matters"

Whatever is in your heart and teaches the lesson:
BE KIND.

Thank you to everyone who helped make Monday's #KindnessInChalk a success! Students were thrilled to see positive and uplifting messages on their way into the school. A special thanks to those who donated sidewalk chalk to the counseling department.

"A kind word or deed can change someone's entire day"

EVENT THIS MONTH

October 24th is Unity Day in collaboration with Multicultural Day. Individuals, schools, communities, corporations, and celebrities join together against bullying – and united for kindness, acceptance, and inclusion.

The Maryland State Council of the Knights of Columbus in partnership with the Knights of Columbus Insurance Advisors is the sponsor of several High School Scholarships for its members and for Catholic students in general. Below is a brief summary of these scholarships and information regarding eligibility for scholarship awards.

Awards will be made on the basis of academic excellence, personal qualifications, and financial need. The children of deceased members are also eligible, provided the member was in good standing at the time of death.

Home and School Association General Meeting
Wednesday, October 10th
6:30 p.m.

Do you wonder what your kids are doing in the classroom? Are you worried about your children being safe on social media? If so, please join us at the first general meeting of the year for our Home and School Association. We will have two guest speakers. Mr. Joe Oleszczuk, Director of Educational Technology for the Archdiocese of Baltimore, will be discussing “How to Keep Your Kids Safe on the Internet,” and Mrs. Kathleen Oleszczuk, STEM Specialist at MSCS, will be discussing how Google classroom works, how the students access Google classroom, what they can see and how they should turn in assignments.

We value your input; therefore, everyone in attendance at the meeting will vote on preferred fundraisers and community events for our school. Now is the time to make it known what you’d like to see happen at Slade!

*Families attending the meeting will earn an out-of-uniform day for their children.

**Childcare will be provided for any registered MSCS student. Please RSVP to Mrs. Winter at b.winter@mssladeschool.com, if you need childcare.
