## Important News and Notes:

**From the School Counselor's Office:** There have been recent reports in nearly every major news channel about "Momo." To respond to this, the National Online Safety Commission has created a balanced guide, which provides parents and caregivers with information to help. I encourage parents and caregivers to read this guide (found at the end of this weekly update), which includes tips to better monitor online activity and have meaningful conversations with their children about online safety. I will be available to speak with any members of the Monsignor Slade community who have questions or concerns about the impact of Momo on their child.

**Cafeteria Notes:** We are happy to announce that we will be selling ice cream novelties in the cafeteria for \$1.50 each. There will be a variety of Blue Bunny and Glenview Farms frozen novelties available for sale each day, such as ice cream sandwiches, ice cream cups, popsicles, fudge pops, etc. We will not sell any products that contain nuts. Items available each day will vary. Unfortunately, ice cream products cannot be ordered online because variety and availability will vary from week-to-week. We are excited to add these items to our product line.

**The Home and School Association (HASA) is continuing work on our Spring Fundraiser** where we will "Go Back to the 80's." If interested in volunteering, please contact Kerry McDaniel at 443-514-8696 or [kklmcd5@yahoo.com](mailto:kklmcd5@yahoo.com).

To get in the spirit of the event, let's test our 80's knowledge with this week's trivia question.

What is MacGyver's first name? Bonus question, What is MacGyver's most used item? *Answers on page 2.*

## Advancement Announcements:

### Enrollment:

Re-registration has closed. The re-registration deadline for current students was February 28th. If you have not completed the *Intent to Enroll* form, Mrs. Buchanan will reach out to you in the coming weeks to inquire about your student's return. Late re-registration will incur a fee of \$100 per student. Please log into your parent portal on SchoolAdmin to complete the *Intent to Enroll* form today. For questions or concerns, call 410-766-7130 to speak to Mrs. Buchanan, Registrar, or Mrs. Hilmer, Advancement Director.

Middle School Information Night will be held on March 28, 2019. Please consider encouraging any friends and neighbors with students entering 6th - 8th grade to attend. They can RSVP at [bit.ly/sladeadmissionsevents](http://bit.ly/sladeadmissionsevents)

## Advancement Announcements (continued):

### Development:

Thank you! Thank you! March Madness donations have been rolling in even before the start of March. Your commitment to our efforts and Monsignor Slade is energizing! Initial participation totals will be announced at the first March prayer service. Progress can be tracked on our March Madness art installation near the cafeteria, too. Every Slade family can help ensure we reach 100% participation! During March, families can contribute to the Monsignor Slade Annual Fund in honor of their enrolled students. Every donation, no matter the size, will help us to reach 100%! Return your orange flyer; the clip-off should be returned with a gift of your choosing, then if a donation is made, your student(s) can write their first and last name on the basketball provided. The basketball, clip-off and donation (placed in an envelope addressed to Mrs. Hilmer) should be returned to the Advancement Office. You can make a difference! Help us to be #allin #100Slade!

Did you know? When non-profit organizations can show 100% participation of current families, faculty, and staff in their annual fund, they are more likely to be considered for grants?

The Monsignor Slade Annual Fund helps us to continue to develop new and exciting educational opportunities for your Slade students. Please consider sharing our giving link with family members, or friends who might support your child's Catholic education. If you know Monsignor Slade alumni, share with them, too! Every dollar makes a difference as we strive toward our goal. [bit.ly/SupportSlade](http://bit.ly/SupportSlade)

### Alumni:

Seeking alumni stories! Please share a personal update or a favorite story about Monsignor Slade. [bit.ly/SladeAlumni](http://bit.ly/SladeAlumni)

Volunteers from the Class of 2015 are needed! A reunion for your graduating class at Monsignor Slade will be held on April 5th. Contact Mrs. Hilmer, if you would like to spread the word! [c.hilmer@mssladeschool.com](mailto:c.hilmer@mssladeschool.com)

### Miscellaneous:

Need service hours? Do you enjoy writing, graphic design, taking photos, or doing online research? Consider joining the Advancement Committee and, if interested, e-mail Mrs. Hilmer! We have four meetings remaining, which means you would earn four service hours!

Our **Bags & Bling Bingo** was very successful and everyone enjoyed themselves. Thank you to everyone who supported the event by purchasing tickets, donating door prizes, baking, and working on bingo night.

### Answer to 80s trivia question from page 1:

Angus. Angus “Mac” MacGyver was played by Richard Dean Anderson. His first name remained a mystery until the seventh season. Whenever he was asked about his first name, he would say he dislikes his first name and change the subject. In the final season, his first name is revealed when he is knocked unconscious and hallucinates, meeting a 7<sup>th</sup> century man named Angus M’Iver and admitting they share their first name. It is again revealed in the series finale, which introduced his son as having the middle name Angus. MacGyver premiered in 1985 and was rebooted in 2016.

Bonus question - The Swiss Army Knife. In addition, he often carried a roll of duct tape in his back pocket, flattened out to make it fit.

**Prayer for the Beginning of Lent**  
**Jesus, beloved friend,**  
**you call us to a season of growth and**  
**repentance.**  
**You have high hopes for us; may we not**  
**disappoint you.**  
**May we see your face ahead of us,**  
**beaming at the end of our Lenten**  
**journey.**  
**Give us strength and energy to run**  
**toward you during this season.**  
**Give us integrity and generosity in each**  
**new challenge.**  
**We ask this of you who live and reign**  
**with God the Father**  
**in the unity of the Holy Spirit, one God,**  
**for ever and ever. Amen**

### Mission Statement

The mission of Monsignor Slade Catholic School is to promote Catholic faith and intellectual development in our students. We do this by teaching about and modeling the precepts of the Catholic faith, as well as challenging our students with a rigorous course of study. We do this so that they will use their faith, knowledge, and skills to shape their futures positively and work for the benefit of the whole society.

Momo is a sinister 'challenge' that has been around for some time. It has recently resurfaced and once again has come to the attention of schools and children across the country. Dubbed the 'suicide killer game', Momo has been heavily linked with apps such as Facebook, WhatsApp, YouTube, and most recently (and most worryingly)... YouTube Kids. The scary doll-like figure reportedly sends graphic violent images, and asks users to partake in dangerous challenges like waking up at random hours and has even been associated with self-harm. It has been reported that the 'Momo' figure was originally created as a sculpture and featured in an art gallery in Tokyo and unrelated to the 'Momo' challenge we are hearing about in the media.

# What parents need to know about **MOMO**

## CHILDREN'S VIDEOS BEING 'HIJACKED'

There have been recent reports that some seemingly innocent videos on YouTube and YouTube Kids (such as 'surprise eggs', unboxing videos and Minecraft videos) have been edited by unknown sources to include violence provoking and/or other inappropriate content. Even though YouTube monitor and remove videos that include inappropriate content, clips can be uploaded and viewed thousands of times before they get reported and removed. As a parent, it's difficult to spot these videos as the harmful content doesn't appear until partway through the video.

## DISTRESSING FOR CHILDREN

Popular YouTubers and other accounts have been uploading reaction videos, showing their experience of the MOMO challenge. Some of the videos include a disclosure message warning that the content may be "inappropriate or offensive to some audiences" and that "viewer discretion is advised" but these videos are still easily accessed by clicking 'I understand and wish to proceed'. The image of the 'Momo' character can be deeply distressing to children and young people and it's important to note that it may slip through parental settings and filters.

## SUGGESTED VIDEOS ON YOUTUBE

Video apps such as YouTube include an 'up next' feature which automatically starts playing another video based on the video just watched. Due to YouTube's algorithm, users are shown 'suggested videos' that they may be interested in. The thumbnails used on suggested videos are purposefully created in a way to encourage viewers to click them. During our research, we found that when watching one Momo related video, we were shown countless other Momo themed videos and other scary content which would be age-inappropriate for children under 18.

# Top Tips for Parents

## TELL THEM IT'S NOT REAL

Just like any urban legend or horror story, the concept can be quite frightening and distressing for young people. Whilst this may seem obvious, it's important for you to reiterate to your child that Momo is not a real person and cannot directly harm them! Also, tell your child to not go openly searching for this content online as it may only cause more distress.

### BE PRESENT

It's important for you, as a parent or carer, to be present while your children are online. This will give you a greater understanding of what they are doing on their devices, as well as providing you with the opportunity to discuss, support and stop certain activities that your child may be involved in. As the nature of each task become progressively worse it's also important to recognise any changes in your child's behaviour.

### TALK REGULARLY WITH YOUR CHILD

As well as monitoring your child's activity, it's important for you discuss it with them too. Not only will this give you an understanding of their online actions, but those honest and frequent conversations will encourage your child to feel confident to discuss issues and concerns they may have related to the online world.

## DEVICE SETTINGS & PARENTAL CONTROLS

Ensure that you set up parental controls for your devices at home. This will help to restrict the types of content that your child can view, as well as help you to monitor their activity. In addition to this, it's vital that you are aware of your device and account settings to ensure your child's utmost safety. For example, on YouTube you can turn off 'suggested auto-play' on videos to stop your child from viewing content that they have not directly selected.

### PEER PRESSURE

Trends and viral challenges can be tempting for children to take part in; no matter how dangerous or scary they seem. Make sure you talk to your child about how they shouldn't succumb to peer pressure and do anything they are not comfortable with, online or offline. If they are unsure, encourage them to talk to you or another trusted adult.

### REAL OR HOAX?

As a parent it is natural to feel worried about certain things you see online that may be harmful to your child. However, not everything you see online is true. Check the validity of the source and be mindful of what you share as it may only cause more worry.

## REPORT & BLOCK

You can't always rely on parental controls to block distressing or harmful material. People find ways around a platform's algorithm in order to share and promote this type of material. Due to this, we advise that you flag and report any material you deem to be inappropriate or harmful as soon as you come across it. You should also block the account/content to prevent your child from viewing it. Also encourage your child to record/screenshot any content they feel could be malicious to provide evidence in order to escalate the issue to the appropriate channels.

## FURTHER SUPPORT

Speak to the safeguarding lead within your child's school should you have any concerns regarding your child's online activity or malicious content that could affect them.

If your child sees something distressing, it is important that they know where to go to seek help and who their trusted adults are. They could also contact Childline where a trained counsellor will listen to anything that's worrying them.

The Childline phone number is 0800 1111.

# Fundraising WHILE YOU Shop<sup>®</sup>

Stop selling and start earning! Scrip fundraising is a no-selling program that allows families to raise money for their non-profit organization (NPO). Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards.

You purchase gift cards from your organization at face value, and your coordinator orders those cards from Great Lakes Scrip Center at a reduced price. The difference is an instant rebate for your organization. It's really that simple!

When you use scrip gift cards at your favorite retailers, you're fundraising while you shop. Great Lakes Scrip Center offers more than 700 of the country's biggest retailers, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Just by using scrip to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work!

The next order for cards will be placed on Monday March 4, 2019; please have any orders and checks in by then.

For any questions please contact Jonathan at [mscs.scrips@gmail.com](mailto:mscs.scrips@gmail.com)
