Openings in the Basketball Program: Want to take an active role in Slade's basketball program? The Athletic Council announced openings for two positions: Intramural/Clinic Basketball Commissioner and a Competitive Basketball Commissioner. Currently, the Commissioner position is responsible for all basketball operations with a Director that oversees Clinic and Intramural basketball but beginning with the 2018-19 school year, responsibilities will be separated into two Commissioner positions.

The Athletic Council plans to hold elections as soon as possible to allow sufficient time for training prior to the end of this school year. You do not need to have a child enrolled in a sports program to serve on the Athletic Council and its a great way to fulfill service hours while promoting a valuable program for our students to participate in recreational sports.

Attached you will find detailed information regarding these positions and instructions for submitting your letter of intent. If you are interested, kindly submit your letter of intent via kidmail or email (sladeacpresident@gmail.com) by April 13, 2018.
