From the Health Room:

- There has been a recent Epi-Pen recall. The school nurse has notified those families who may have recalled Epi-Pens on file in the health room.

- Please make sure to send a water bottle to school with your child each day. Students are extra thirsty with the warm weather.

Cafeteria News:

- Last summer, we conducted an on-line survey with the school community and received some valuable feedback from you regarding our lunch program. Some of the written comments included topics ranging from the quantity, quality, variety and nutritional value of the food choices, to the way payments are processed.

Over the past several months, a small committee of people has looked into these issues and has been working with Tommy's Food Service to improve the lunch program being offered to our families.

Beginning immediately, Tommy's is adding more healthy food options to their menu, including fresh fruit cups, carrots and celery with ranch dressing, hard-boiled eggs and jello. Pizza will be delivered in two shifts to avoid having to serve re-heated pizza. A hot dog roller grill will be installed so that hot dogs are cooked and delivered fresh. In addition, Tommy's has installed lamp warmers along the food line and, later this month, will install cold counter coolers. These will help to deliver the food at the proper temperature. Before the end of the school year, we hope to experiment with additional menu items including some gluten free options.

Another change that you will see is the menu being provided by Tommy's. The menu will be issued weekly rather than monthly, and will include not only the lunch of the day, but will also list the a la carte items that will be served that day. When there are last-minute changes to the menu, Tommy's will notify you of those changes.

Please talk to your children about the cafeteria, especially about the quantity, variety, and tastiness of the food. After talking with your children, if you should have any further comments or suggestions, please forward them to Mrs. Cox.

HASA Happenings:

OPERATION MATO GROSSO

Food Drive for Lent

In January, each homeroom met with Father Lou Martin and Matteo Santi Amantini to learn about mission work in Peru. Monsignor Slade Catholic School is partnering with a Peruvian school named, "Lord of Polallucay," which is the only Catholic school in Yungay, Peru. During Catholic Schools Week, we collected school supplies to help this school. During Lent, we would like to continue our mission work and collect food items to benefit those in need with our sister school in Peru.

DURING THIS *LENT*, KEEP IN MIND PEOPLE IN NEED!

We will collect 6 staple food items:

PASTA	Pre-K and Kdg.
SUGAR	Grades 1 & 2
FLOUR	Grades 3 & 4
RICE	Grades 5 & 6
CANNED VEGGIES	Grade 7
COOKING OIL	Grade 8

The food collected will be used at the mission school, soup kitchens and hospitals, as well as others in need in the town of Yungay, Peru.

Operation Mato Grosso's objective is to fill an entire shipping container of food to send to Peru right after Easter.

For more information regarding this mission, please visit the following website: www.artesanosdonbosco.com/index.php/charity/
