Grade Level Reminders:

- **Sixth Grade** – Please be reminded that it is mandatory for all incoming seventh graders to have one additional TDap and one meningococcal vaccination before school begins in the fall. Your child will not be able to begin seventh grade without having these additional vaccines. When your child receives the vaccinations, please make sure to provide a copy of the immunization to the school nurse so that we can update his or her record.

From the Health Room:

- Please stop by the health room to pick up your child's medications by the last day of school. Any medications not picked up will be discarded. If you would like to call ahead I will have your child's medications ready so you will not have to wait.
Thank you! Have a wonderful and safe summer!
