Important News & Notes:

From the School Nurse:

In response to the AOB COVID Letter to Families from 9/16/2021

- “Exception: In the K–12 indoor classroom setting, the close contact definition excludes students who were within 3 to 6 feet of an infected student (laboratory confirmed or a clinically compatible illness) if both the infected student and the exposed student(s) correctly and consistently wore well-fitting masks the entire time.”
- This means that students, who are properly and consistently masked, will not be required to quarantine IF AND ONLY IF they are more than 3 feet apart.
- **Any student who is less than 3 feet masked, or less than 6 feet unmasked, is considered a close contact and is REQUIRED to quarantine. Close contacts will be given return-to-school instructions by the nurse.**

Who is a close contact?

1. Someone who is less than 3 feet from a positive individual regardless of mask wearing.
2. Someone who is less than 6 feet from a positive individual if one or both are unmasked.

Students who do not meet the previously mentioned criteria will not be notified that they are a close contact.

COVID-19 Symptoms...

- **Any ONE of the following:**
 - Sore throat (one of the most common that is being seen in children)
 - Cough
 - Fever of 100.4 or higher
 - Difficulty breathing
 - Diarrhea or vomiting
 - New onset of severe headache (especially with fever)
 - New loss of taste or smell
- PLEASE do not send your child to school if they are exhibiting any symptom from the above list OR if they are beginning to complain of other symptoms.
- We are seeing high numbers of RSV, flu, and strep throat among children this fall, which are all highly contagious.
- **If your child is exhibiting any symptom at all, please notify the school nurse at j.lydon@mssladeschool.com or covid19@mssladeschool.com. The nurse will be able to give you direction to come to school, get tested, or go see a doctor.**

Masking...

- Please make sure that your child's mask fits properly. There should be no gaps in the mask and it should cover the child's nose and mouth.
- Please keep 1-2 extra masks in your child's backpack in case they lose it, it gets dirty, or breaks.

Important News and Notes (continued):

Immunization Records...

- **If your child has not turned in an updated immunization record, or if you are new this school year and have not turned in an immunization record, please make every effort to do so this weekend.**
- According to page 24 of the Parent & Student Handbook, “Students who are not up-to-date on the required immunizations will not be allowed to attend school.”
- The state of Maryland requires all immunizations to be up-to-date, or have an appointment scheduled to receive missing immunizations, by 20 calendar days from the first day of school. This requirement means that ALL immunizations must be up to date, or have an appointment scheduled, by Monday, September 20, 2021.
- The appointment can be for a date later than 9/20/21, we just need confirmation of an appointment happening within the near future.

Absences

- **If your child will be absent from school for any reason please email absences@smladeschool.com.** If your child is a close contact of an individual at school, you do not need to notify the absence email.
- The Parent & Student Handbook addresses absences on pages 19-20. Please review this information.

Congratulations and thank you! The Worldwide Freedom Harvest food drive, which we support with Happy Helpers for the Homeless, was a tremendous success. The canned and non-perishable food items you donated were delivered to the Anne Arundel County Food Bank this past Tuesday. We’re delighted to report that our school collected 1,233 lbs. of food!! The people at the food bank were absolutely thrilled. They even posted a picture of the truckload of food from Slade on their social media pages!!

Thank you to Ms. Teresa Bennett, mother of 8th grader Jordan Bennett, for your generous donation of hand sanitizers and disinfectant wipes. These supplies will be put to good use in the classrooms. We are happy to accept donations of disinfecting wipes and hand sanitizers for use here at school. As always, your generosity is much appreciated.

Our Teachers and Staff Support Tuition Assistance Fund!! Many thanks to our teachers and staff who have already raised \$2,200 by participating in “faculty dress-down Fridays” to donate to our tuition assistance fund. This money will go a long way in providing assistance to our families! Students will have this opportunity as well on September 24th with a special out-of-uniform day to support our tuition assistance fund. Look for additional dates, which are scheduled each month throughout the school year. Just send in \$2 per student on or before 9/24/21 to earn the out-of-uniform day. These special days will allow students to get into the spirit of giving while earning this fun privilege, which supports a great cause!

Service Hours Program: Each family with students enrolled in Pre-K4 (full-day) through 8th grade is required to give twelve (12) hours of service during the school year or pay an additional fee of \$300 by December 31, 2021. There are many different activities and/or events in which you may get involved. Please refer to the attached Service Hours Explanation Sheet to review the different service options available through this program.

If you have not yet signed up for the Service Hours Program, please use the following link to sign up: <https://forms.gle/e8PpqRdQvG3h2aK97>. You will receive an acknowledgement from the Support Programs Coordinator of those events in which you have been enrolled. If you have any questions about the program, please contact Mrs. Kathie Sullivan, Support Programs Coordinator, at k.sullivan@smladeschool.com.

Important News and Notes (continued):
