Spooktacular Scrip Ideas for October

Halloween

Whether you are having a Halloween party or just stocking up on candy, costumes, and decorations for your own trick-or-treat festivities, you can use the Scrip program. Buy gift cards to do your Halloween shopping and save towards next year's tuition!

Now for the Ghoulish News

The business issues with Toys"R"Us have created issues for purchasing cards. Be careful when selecting Toys"R"Us cards. Over the past couple weeks their availability has not been consistent. If you wish to purchase these cards, I would advise signing up for PrestoPay and purchasing the ScripNow! version of the gift card. There have been issues of the cards not being available when the shipping order goes through, only to become available a couple days later. And by the time this flyer is written, they were not available again. Below are some other options for you....

Next order will be finalized for shipping on October 2nd. Submit orders and get checks into MSCS front office before NOON on Monday October 2, 2017.

As always, 50% of the rebate goes to the school and 50% towards next year's tuition for your child. Information on how to sign-up with Scrips is located on the Slade website under the HASA tab.
