## MISSION STATEMENT

*The mission of Monsignor Slade Catholic School is to promote Catholic faith and intellectual development in our students. We do this by teaching about and modeling the precepts of the Catholic faith, as well as challenging our students with a rigorous course of study. PLEASE NOTE: In early April, we are going to be taking a lot of unusable electronics to an e-cycle event that Spalding is hosting. If anyone has any old electronics at home, other than televisions that have cathode ray tubes in them, feel free to bring the items to school and we will take them over to the e-cycle event for you.
