Dear Friend of Monsignor Slade Catholic School,

I pray this letter finds you well. At Monsignor Slade Catholic School, we dedicate ourselves to forming the whole child. Whether in the classroom, on the sports field, on stage, or during a performance, we aim to be disciples of Christ in our words, deeds, and actions. To ensure that formative opportunities continue for our students, we rely on fundraisers throughout the school year to support programs, activities, and improvements to our school. One of our most cherished fundraisers in our community is *Christmas at Slade*. This year, *Christmas at Slade* will be held on Saturday, December 5, 2026.

For those who are unfamiliar with this event, it is a beloved tradition at our school. The event includes breakfast, story time with Santa, basket raffle, reindeer games, bake sale, crafts, and Santa's Secret Workshop. A part of *Christmas at Slade* includes our Christmas Basket Raffle that provides a large portion of the monies raised during this event. Each year, we depend on our valued friends and supporters in the business community to supply us with exciting auction items. We are humbly asking for your consideration in supporting our school with a cash donation, gift certificates, or merchandise from your business. There are no donations too small.

Please know that your support has the power to truly transform the lives of our students and families. By investing in our community, you are investing in leaders, thinkers, and change-makers of tomorrow. Contributions may be sent directly to the school, or we are happy to pick them up at your location. Your generosity will be recognized in our school communications by listing your business as a large supporter, which will reach over 365 families. Additionally, we will provide a receipt for your donation to be used for tax purposes. Our tax ID# is 52-0977368. We will be accepting donations until Tuesday, November 24, 2026.

Please contact our Home and School Association, with any questions at hasa@msladeschool.com.

Thank you for your time and consideration. We look forward to the possibility of working together to make a lasting impact on the lives of young learners.

With sincere gratitude,

Mr. Cameron P. Stehle
Principal
